

West Wimmera Groundwater Management Area

Submission to the Minister for Water

*Certified to best practice standards
ISO 9001 / 14001 and AS/NZS 4801*

In accordance with the *Water Act 1989*, the policy direction of the Western Region Sustainable Water Strategy and the West Wimmera Groundwater Management Strategy, GWMWater proposes to:

- > abolish the Neuarpur Groundwater Protection Area (GSPA) declared in 1998
- > abolish the Apsley GSPA declared in 2001
- > abolish the Telopea Downs GSPA declared in 2001
- > abolish the Kaniva Water Supply Protection Area declared in 2004, and
- > revoke the Groundwater Management Plan for the Neuarpur GSPA approved in 2001.
